

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
701 S. COURTHOUSE RD SUITE 1001
ARLINGTON VA 22204-2490

JET
Docket No. 306-12
31 October 2012

[REDACTED]

Dear Petty [REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of 10 USC 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 31 October 2012. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. In addition, the Board considered the advisory opinion furnished by Chief of Naval Operations (CNO) memo 7220 Ser N130D2/12U0320 dtd 23 Apr 2012, a copy of which is attached.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In making this determination, the Board substantially concurred with the comments contained in the advisory opinion (A/O). You were processed for separation by an administrative separation board by reason of Convenience of the Government - Physical or Mental Condition. Your condition was classified as "Condition, Not a Disability" and you were given an SPD code of "JFV" on your DD214. The SPD code assigned for "Condition, Not a Disability" does not authorize you severance pay.

In addition, your petition also requested that you received half of your enlistment bonus for completing "A" or "C" School. However, the A/O stated that "without Annex B, there is not enough information to make a determination on this part of the case". Therefore, on 12 June 2012, the enclosed 30-day was sent to you requesting your input or comments. To date, our office has not received any response. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request. Should you decide to submit your Annex B regarding your enlistment bonus, your case will be reopened for consideration. Please attach a copy of this letter along with a copy of the letter dated 12 June 2012.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

ROBERT D. ZSALMAN
Acting Executive Director
