

DEPARTMENT OF THE NAVY

BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

SJN

Docket No: 03705-13

24 April 2014

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 22 April 2014. The names and votes of the members of the panel will be furnished upon request. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record, and applicable statutes, regulations, and policies.

After careful and conscientious consideration of the entire record, the Board found the evidence submitted was insufficient to establish the existence of probable material error or injustice.

You enlisted in the Navy and began a period of active duty on 19 May 1980. The Board found that you received four nonjudicial punishments (NJP's) for two periods of unauthorized absence (UA) totaling 64 days, three instances of missing ship's movement, assault, and wrongful possession and use of marijuana. On 19 November 1982, you were convicted by special court-martial (SPCM) of 165 days of UA which had ended with your apprehension. You were sentenced to confinement at hard labor, a forfeiture of pay, and a bad conduct discharge (BCD). You received the BCD on 22 February 1984 after appellate review was completed.

The Board, in its review of your record and application, carefully weighed all potentially mitigating factors, such as your youth and desire to upgrade your discharge. Nevertheless, based on the information currently contained in your record, the Board concluded these factors were not sufficient to warrant recharacterization of your discharge given your four NJP's and SPCM conviction of a period of UA lasting over five months, ending only in your apprehension. Accordingly, your application has been denied.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

ROBERT D. ZSALMAN

Acting Executive Director
