BOARD FOR CORRECTION OF NAVAL RECORDS
701 S. COURTHOUSE RD SUITE 1001
ARLINGTON VA 22204-2490

BAN
Docket No. NR03788-13
9 June 2014

[REDACTED]

This is in reference to your recent Application for Correction of Naval Record (DD Form 149).

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 9 June 2014. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, his naval record and applicable statutes, regulations and policies. The Board considered the advisory opinions furnished by Headquarters Marine Corps (HQMC) 1910 MMSR-3 of 18 Feb 2014 and HQMC memo 5420 MMEA of 25 Apr 2014, copies of which were previously provided to you, and which are now enclosed. The Board also considered your response to the advisory opinions.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In making this determination, the Board substantially concurred with the comments contained in the advisory opinions. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records.

Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely;

ROBERT D. ZSALMAN
Acting Executive Director
