

DEPARTMENT OF THE NAVY  
BOARD FOR CORRECTION OF NAVAL RECORDS  
701 S. COURTHOUSE ROAD, SUITE 1001  
ARLINGTON, VA 22204-2490

BJG  
Docket No: 6615-13  
8 July 2014

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 8 July 2014. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice.

You enlisted in the Marine Corps and entered a period of active duty on 21 June 1985. You received nonjudicial punishment on four occasions for failure to go to your appointed place of duty, disrespect, absence from your appointed place of duty, escaping from lawful custody, breaking restriction, impersonating a commissioned officer, and dereliction of duty. You then requested an under conditions other than honorable (OTH) discharge for the good of the service to avoid trial by court-martial for wrongful use of cocaine. At that time, you consulted with qualified military counsel and acknowledged the

adverse consequences of receiving such a discharge. The separation authority approved your request for an under conditions OTH discharge. On 14 December 1988, you were separated with an under conditions OTH discharge for the good of the service to avoid trial by court-martial. As a result of this action, you were spared the stigma of a court-martial conviction and the potential penalties of a punitive discharge and confinement at hard labor.

The Board, in its review of your entire record, carefully considered all potentially mitigating factors, such as your youth and current desire to upgrade your discharge. Nevertheless, the Board concluded that these factors were not sufficient to warrant recharacterization of your discharge due to your numerous acts of misconduct, drug abuse, and request for discharge. Furthermore, the Board believed that considerable clemency was extended to you when your request for discharge to avoid trial by court-martial was approved. It was also clear to the Board that you received the benefit of your bargain with the Marine Corps when your request for discharge was granted and should not be permitted to change it now. Regarding your allegation, the Board found evidence in your record which is contrary to it. You are advised that no discharge is automatically upgraded due merely to the passage of time or post service good conduct. In view of the above, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

ROBERT D. ZSALMAN  
Acting Executive Director
