

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
701 S. COURTHOUSE ROAD, SUITE 1001
ARLINGTON, VA 22204-2490

TAL
Docket No: 6788-13
24 July 2014

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10, United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 16 July 2014. The names and votes of the members of the panel will be furnished upon request. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record, and applicable statutes, regulations, and policies.

After careful and conscientious consideration of the entire record, the Board found the evidence submitted was insufficient to establish the existence of probable material error or injustice.

You enlisted in the Navy and began a period of active duty on 13 September 1989 at age 18. On 7 November 1991, you received nonjudicial punishment (NJP) for misbehavior as a lookout. On 31 July 1993, you were released from active duty under honorable conditions. You were not recommended for reenlistment and assigned an RE-4 reenlistment code. A Sailor must be serving in paygrade E-3 and be recommended for promotion to E-4 to be eligible for reenlistment.

The Board, in its review of your entire record and application, carefully weighed all potentially mitigating factors, such as your youth and overall record of service. Nevertheless, the Board concluded these factors were not sufficient to warrant a

change in your reenlistment code due the non-recommendation for retention, which was sufficient to support the assignment of an RE-4 reenlistment code and authorized by regulatory guidance. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

In regards to your request for a record review for additional awards, your awards were verified 23 November 2010, by the Navy Personnel Command Records Support Division (PERS-312A), 5720 Integrity Drive Millington, Tennessee 38055-3120, a copy is attached. The Board substantially concurred with the comments contained in the memorandum.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

ROBERT D. ZSALMAN
Acting Executive Director
