

DEPARTMENT OF THE NAVY  
BOARD FOR CORRECTION OF NAVAL RECORDS  
701 S. COURTHOUSE ROAD, SUITE 1001  
ARLINGTON, VA 22204-2490

Docket No. 3068-16  
AUG 28 2017

Dear [REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of 10 U.S.C. §1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 12 May 2017. The names and votes of the members of the panel will be furnished upon request. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. Additionally, the Board considered the advisory opinion provided by Headquarters Marine Corps dated 14 December 2016, which was previously provided to you.

You requested removal of your Page 11 dated 20150925. After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection, the Board substantially concurred with the comments contained in the advisory opinion. Accordingly, your application has been denied.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new evidence. New evidence is evidence not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

[REDACTED]  
Executive Director
