BOARD FOR CORRECTION OF NAVAL RECORDS  
701 S. COURTHOUSE ROAD, SUITE 1001  
ARLINGTON, VA 22204-2490

[REDACTED]  
Docket No. 3530-16

MAR 09 2017

[REDACTED]  
Dear [REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of 10 USC 1552.

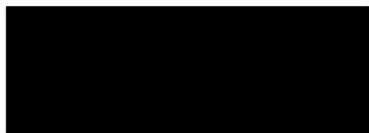

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 23 January 2017. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. The advisory opinion provided by CNP memo 7220 Ser N130C/16U1429 dated 4 November 2016, was sent to you on 23 November 2016 for an opportunity to comment prior to being considered by the Board. A copy of this advisory opinion is again enclosed. After the 30 day period for comment expired without a response, the case was presented to the Board.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection, the Board substantially concurred with the comments contained in the advisory opinion. Per the Joint Travel Regulation (JTR), Chapter 9, 9150 A, TLA is intended to partially, not fully, reimburse a member for more than normal expenses incurred while occupying temporary lodging. Furthermore, as referenced in section 9185 E.4, as you were the only authorized person utilizing temporary lodging, you were properly reimbursed at the rate of 65% of the max lodging and per diem rate. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence within one year from the date of the Board's decision. New evidence is evidence not previously considered by the Board prior to making its decision in your case. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records.

Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,
