

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
701 S. COURTHOUSE ROAD, SUITE 1001
ARLINGTON, VA 22204-2490

[REDACTED]
Docket No. 3780-16
SEP 07 2017

[REDACTED]
Dear [REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of 10 U.S.C. §1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 30 June 2017. The names and votes of the members of the panel will be furnished upon request. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. Additionally, the Board considered the advisory opinion provided by the Office of Legal Counsel (BUPERS-00J) letter dated 11 December 2016, which was previously provided to you.

You requested that a punitive letter of reprimand dated 11 February 2013 be removed from your record. After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. The Board substantially concurred with the comments contained in the advisory opinion. Accordingly, your application has been denied.

Regarding your request for a personal appearance, the Board determined that a personal appearance with or without counsel will not materially add to their understanding of the issues involved. Therefore, the Board determined that a personal appearance was not necessary and considered your case based on the evidence of record.

It is regretted that the circumstances of your case are such that favorable action cannot be taken at this time. You are entitled to have the Board reconsider its decision upon the submission of new and material evidence. New evidence is evidence not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all

official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

A large black rectangular redaction box covering the signature of the Executive Director.
