Ref: (a) Title 10 U.S.C. §1552

Encl: (1) DD Form 149
(2) Case summary
(3) Subject's naval record (excerpts)

1. Pursuant to the provisions of reference (a), Petitioner, a former enlisted member of the Marine Corps, filed enclosure (1) with this Board requesting that his RE-3P reenlistment code, issued on 29 April 2011, be changed. Enclosures (1) through (3) apply.

2. The Board, consisting of [REDACTED] reviewed Petitioner's allegations of error and injustice on 28 August 2017 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, relevant portions of your naval record and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. Enclosure (1) was filed in a timely manner.

c. Petitioner enlisted in the Marine Corps and began a period of active duty on 30 April 2007. On 29 April 2011, he was honorably released from active duty at the completion of his active duty obligation. At that time he was issued a Certificate of Release or Discharge from Active Duty (DD Form 214) with an Honorable characterization but a reentry Code of "RE-3P" which means a Marine failed to meet physical medical standards and would require a reenlistment waiver.

d. Petitioner's OMPF show no evidence of not meeting physical medical or weight standards.

CONCLUSION

Upon review and consideration of all the evidence of record, the Board concluded that Petitioner's request warrants favorable action in the form of relief. In this regard, his reentry code shall be changed in MCTFS and his OMPF to "RE-1A" which means he is recommended and eligible for reenlistment. In this regard, the Board determined that, in accordance with Marine Corps regulations, the "RE-1A" reentry code is appropriate for the reason for separation as stated on Petitioner's DD Form 214.

RECOMMENDATION:

That Petitioner's naval record be corrected, where appropriate, to show:

a. That Petitioner be issued a DD Form 215 which reflects he was issued an "RE-1A" reentry code on 29 April 2011.

b. That any material or entries inconsistent with or relating to the Board's recommendation be corrected, removed, or completely expunged from Petitioner's record and that no such entries or material be added to the record in the future.

c. That upon request, the Department of Veteran Affairs be informed that Petitioner's application was received on 5 August 2016.

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c)) it is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
