NOV 28 2017

From: Chairman, Board for Correction of Naval Records
To: Secretary of the Navy

Subj: REVIEW OF NAVAL RECORD ICO ██████████ USN RET,
██████████

Ref: (a) Title 10 U.S.C. 1552

Encl: (1) DD Form 149 w/attachments

(3) Subject's naval record

1. Pursuant to the provisions of reference (a) Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected to change the issuance date of permanent change of station orders (PCSO).
2. The Board, consisting of ██████████ reviewed Petitioner's allegations of error and injustice on 4 August 2017 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.
3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:
 - a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.
 - b. In correspondence attached as enclosure (2), the office having cognizance over the subject matter addressed in Petitioner's application has commented to the effect that the request has merit and warrants favorable action.

CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action. There is evidence the command authorized a move (23 July 2016) before orders (5 October 2016) in accordance with the Joint Travel Regulations. This is due to his return to ██████████ from a 6 month deployment in July 2016, school enrollment for his child in ██████████ in August 2016, and his pending retirement in February 2017.
