

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
701 S. COURTHOUSE ROAD, SUITE 1001
ARLINGTON, VA 22204-2490

[REDACTED]
Docket No. 893-17
JAN 03 2018

From: Chairman, Board for Correction of Naval Records
To: Secretary of the Navy

Subj: REVIEW OF NAVAL RECORD ICO FMR MBR [REDACTED] USN,
[REDACTED]

Ref: (a) Title 10 U.S.C. 1552

Encl: (1) DD Form 149 w/attachments
(2) Subject's naval record

1. Pursuant to the provisions of reference (a) Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected to change her reenlistment code from RE-6 to RE-1.

2. The Board, consisting of [REDACTED] reviewed Petitioner's allegations of error and injustice on 16 November 2017 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, relevant portions of your naval record and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. Petitioner enlisted in the Navy and began a period of active duty on 23 July 2012. Petitioner served honorably during her time in service and was always recommended for reenlistment by his commanding officer. Upon reaching her End of Active Obligated Service (EAOS) on 22 July 2016, Petitioner was discharged from the Navy on the basis of "Completion of Required Active Duty Service" and assigned a reenlistment code of "RE-6."

CONCLUSION:

Upon review and consideration of all the evidence of record, and especially in light of the apparent administrative error in the record, the Board finds the existence of an injustice warranting the following corrective action.

Subj: REVIEW OF NAVAL RECORD ICO FMR MBR [REDACTED] USN,
[REDACTED]

Per Bureau of Personnel Instruction (BUPERSINST) 1900.8C dated 29 September 2008, the reentry code "RE-6" indicates that a service member is "ineligible or denied reenlistment due to reaching High Year Tenure" (HYT). Per MILPERSMAN 1160-120, HYT for an E-4 is eight years, but the Petitioner only served four years. The Board reviewed the entire record and found no indication that Petitioner reached HYT or was not otherwise recommended for reenlistment. The Board concluded that the assignment of a "RE-1" reentry code would be more accurate.

RECOMMENDATION:

That Petitioner's naval record be corrected, where appropriate, to show that:

The Certificate of Release or Discharge from Active Duty (DD Form 214), executed on or about 22 July 2016, was modified to read block 27 (reentry code) "RE-1" vice "RE-6."

A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.

[REDACTED]
Recorder

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)) and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of reference (a), has been approved by the Board on behalf of the Secretary of the Navy.
