A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 4 October 2017. The names and votes of the members of the panel will be furnished upon request. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, relevant portions of your naval record and applicable statutes, regulations and policies. The Board also reviewed the advisory opinion provided by Chief of Naval Operations (OPNAV N170), dated 21 July 2017, which was previously provided to you.

The Board concluded that the removal of your 2016 Cycle 2 Physical Fitness Assessment/Physical Readiness test scores were not warranted. In this regard, the Board considered the advisory opinion and substantially concurred with the comments contained in the advisory opinion. Accordingly, your application has been denied.

It is regretted that the circumstances of your case are such that favorable action cannot be taken at this time.
