(3) Subject's naval record

1. Pursuant to the provisions of reference (a) Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected to establish entitlement to a zone "A" Selective Reenlistment Bonus (SRB).

2. The Board, consisting of [REDACTED] reviewed Petitioner's allegations of error and injustice on 15 December 2017 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. In correspondence attached as enclosure (2), the office having cognizance over the subject matter addressed in Petitioner's application has commented to the effect that the request has merit and warrants favorable action.

CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting corrective action due to the following: Petitioner's request was submitted on 9 June 2016, within the given time window. Due to processing time, however, the current SRB message was terminated on 7 July 2016 prior to the 22 July 2016 approval of Petitioner's reenlistment package, making him ineligible to receive the SRB.
