From: Chairman, Board for Correction of Naval Records  
To: Secretary of the Navy

Ref: (a) Title 10 U.S.C. § 1552

Encl: (1) DD Form 149 w/attachments  
(2) CNRFC ltr 5420 Ser N1/1065 of 14 Nov 17  
(3) Subject's naval record

1. Pursuant to the provisions of reference (a) Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected to issue an agreement to extend enlistment.

2. The Board, consisting of [REDACTED] reviewed Petitioner's allegations of error and injustice on 15 December 2017 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. In correspondence attached as enclosure (2), the office having cognizance over the subject matter addressed in Petitioner's application has commented to the effect that the request has merit and warrants favorable action.

#### CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action. Petitioner's Navy Reserve systemic record indicated an erroneous 15 May 2020 Expiration of Obligated Service (EOS). Upon determining there was no source document to validate the 15 May 2020 EOS, Navy Operational Support Center [REDACTED] completed a retroactive strength loss transaction effective 29 October 2015. Although the Petitioner was appropriately compensated after executing 44 inactive duty training periods and

5-day Annual Training orders in fiscal year 2016, and was eligible for TRICARE Reserve Select (TRS) medical benefits, the retroactive strength loss transaction superseded the aforementioned payments resulting in her indebtedness to the government and TRICARE Management Activity.

#### RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

The Petitioner executed a 14-month NAVPERS 1070/621, Agreement to Extend Enlistment, operative on 30 October 2015. Note: this will establish an Expiration of Reserve Enlistment (EREN)/Expiration of Obligated Service (EOS) of 29 December 2016. Furthermore, Defense Finance and Accounting Service (DFAS) will complete an audit of Petitioner's records to determine if a debt should be removed and if Petitioner is due any back pay and allowances. Additionally, Commander, Navy Reserve Force (N1) is directed to coordinate removal of TRS debt with TRICARE management activity.

A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
