Ref: (a) Title 10 U.S.C. 1552

(3) Subject's naval record

1. Pursuant to the provisions of reference (a) Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected to modify an immediate reenlistment contract.

2. The Board, consisting of [REDACTED] reviewed Petitioner's allegations of error and injustice on 27 October 2017 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. In correspondence attached as enclosure (2), the office having cognizance over the subject matter addressed in Petitioner's application has commented to the effect that the request has merit and warrants favorable action.

#### CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting corrective action due to the following: Petitioner reenlisted on 14 February 2016 (End of Active Obligated Service) in order to receive a full SRB; however, due to an administrative oversight, Petitioner's reenlistment contract was executed with two different dates – his original reenlistment request of 12 February 2016 and his new reenlistment date of 14 February 2016. Subsequently, Petitioner's 24 month extension was used against the Petitioner's SRB computation, which resulted in a lower monetary award.

## RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

The 4 year immediate reenlistment contract (NAVPERS 1070/601), executed on or about 14 February 2016 is modified to read "Subscribed and sworn before me this 14<sup>th</sup> day of February, A.D. 2016" vice "Subscribed and sworn before me this 12<sup>th</sup> day of February, A.D. 2016".

This change will entitle the member to a zone "A" SRB with an award level of 11.0 (\$100,000 dollar award ceiling) for the MMN/3355 rate/NEC. Note: Defense Finance and Accounting Service (DFAS) will complete an audit of Petitioner's records to determine if Petitioner is due any back pay.

A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
