

**DEPARTMENT OF THE NAVY**  
BOARD FOR CORRECTION OF NAVAL RECORDS  
701 S. COURTHOUSE ROAD, SUITE 1001  
ARLINGTON, VA 22204-2490

[REDACTED]  
Docket No: 6176-17/  
2265-15

DEC 27 2017

[REDACTED]  
Dear [REDACTED]

This is in reference to your reconsideration request received. You previously petitioned the Board and were advised in our letter of 20 May 2016, that your application had been denied. Your case was reconsidered in accordance with Board of Correction of Naval Records procedures that conform to *Lipsman v. Secretary of the Army*, 335F.Supp.2d 48 (D.D.C. 2004).

Your current request has been carefully examined by a three-member panel of the Board for Correction of Naval Records, sitting in executive session on 27 September 2017. The names and votes of the members of the panel will be furnished upon request. Documentary material considered by the Board consisted of your application and any material submitted in support of your application.

Regarding your request for a personal appearance, the Board determined that a personal appearance with or without counsel will not materially add to their understanding of the issue(s) involved. Therefore, the Board determined that a personal appearance was not necessary and considered your case based on the evidence of record.

You presented as evidence a letter from your attorney dated 14 July 2017, with 14 enclosures. Although the enclosures are new evidence, the Board determined that the evidence submitted was insufficient to establish the existence of probable material error or injustice. Accordingly, your reconsideration request is denied.

It is regrettable that the circumstances of your case are such that the Board will not process any additional reviews, and this matter is considered a final action.

Sincerely,

[REDACTED]  
Executive Director
