Ref: (a) 10 U.S.C. § 1552

Encl: (1) DD Form 149  
(2) Case Summary  
(3) Administrative Remarks (Page 11) counseling entry of 30 Jul 13

1. Pursuant to the provisions of reference (a), Petitioner, an enlisted member of the Marine Corps, filed enclosure (1) with this Board requesting the removal of her Administrative Remarks (Page 11) counseling entry dated 30 July 2013, from her Official Military Personnel File (OMPF). Enclosures (1) through (3) apply.

2. The Board, consisting of [REDACTED] reviewed the Petitioner's allegations of error and injustice on 11 October 2017, and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the Petitioner's application, together with all material submitted in support thereof, relevant portions of the Petitioner's naval record and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. Enclosure (1) was filed in a timely manner.

c. On 30 July 2013, the Petitioner signed a Page 11 counseling which stated in part, that the Petitioner was being counseled concerning notification of pregnancy MCO 5000.12E Marine Corps Policy concerning pregnancy and parenthood as evidenced by enclosure (3).

d. Petitioner contends that the Page 11 counseling entry was unjust because she and multiple other female Marines were issued the same Page 11 for getting pregnant after deployment.

CONCLUSION:

Upon review and consideration of all the evidence of record, the Board concluded that Petitioner's request warrants favorable action.

In reaching its conclusion, the Board after careful consideration of the Petitioner's record, concluded that even though the Page 11 counseling entry is valid and written in accordance with Marine Corps directive, the Board determined that it is an injustice to have the Page 11 remain in the Petitioner's OMPF and therefore, the removal of enclosure (3) from the Petitioner's naval record should be granted.

In view of the foregoing, the Board recommends the following corrective action:

RECOMMENDATION:

Petitioner's naval record be corrected by removing enclosure (3) from the Petitioner's OMPF.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
