1. Pursuant to the provisions of reference (a) Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected to reflect education points on the profile sheet for the March 2016 Cycle 231 Navy Wide Advancement Examination (NWAE) and be advanced to E-5.

2. The Board, consisting of [REDACTED] reviewed Petitioner's allegations of error and injustice on 9 January 2018 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, relevant portions of your naval record and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. In correspondence attached as enclosure (2), the office having cognizance over the subject matter addressed in Petitioner's application has commented to the effect that the request has merit and warrants favorable action.

CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting corrective action due to the following: Petitioner took the March 2016 Cycle 231 Navy Wide Advancement Examination (NWAE); however, due to an administrative oversight, points towards Petitioner's associate's degree were not added to the final multiple score (FMS) causing him to not be selected to E-5.

RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

The Petitioner's Examination Profile Information and Exam Status sheet from the March 2016 Cycle 231 Navy Wide Advancement Exam (NWAE) is modified to read Education Points is "2" vice "0", and FMS (Final Multiple Score) is "89.06" vice "87.06". Note: the Minimum Multiple Required was 88.25.

The Petitioner was advanced to E5 effective "16 December 2016" vice "16 December 2017" with a time in rate (TIR) of "1 July 2016" vice "1 July 2017".

A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
