BOARD FOR CORRECTION OF NAVAL RECORDS  
701 S. COURTHOUSE ROAD, SUITE 1001  
ARLINGTON, VA 22204-2490

[REDACTED]  
Docket No: 6996-17

JAN 09 2018

From: Chairman, Board for Correction of Naval Records (BCNR)  
To: Secretary of the Navy

Subj: REVIEW NAVAL RECORD OF FORMER [REDACTED] USN,  
[PRESENTLY [REDACTED]]

Ref: (a) 10 U.S.C. 1552  
(b) SECNAVINST 5420.193 Series  
(c) SECNAVINST 1650.1H

Encl: (1) DD Form 149  
(2) Subject's naval record (excerpts)  
(3) Certificate of Release or Discharge from Active Duty (DD Form 214)  
(4) [REDACTED] County [REDACTED] Court Order

1. Pursuant to the provisions of references (a) and (b), Petitioner, a former member of the Marine Corps, filed enclosure (1) with this Board requesting a change to her naval record, specifically, to correct the record to reflect a name change. Enclosures (2) through (4) apply.

2. The Board, consisting of [REDACTED] reviewed Petitioner's allegations of error and injustice on 30 October 2017 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations, and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. Petitioner enlisted in the Navy and began a period of active duty on 24 September 1980. On 21 December 1984, Petitioner was honorably discharged. In this regard, Petitioner was issued a Certificate of Release or Discharge from Active Duty (DD Form 214) based on the name used while serving in the Navy, specifically, [REDACTED] as evidenced by enclosure (2). Upon completion of obligated service, on 18 October 1992, Petitioner was issued a Record of Discharge from the U.S. Naval Reserve (Inactive) (NAVPERS 1070/615) under the name [REDACTED] (see enclosure (2)).

Subj: REVIEW NAVAL RECORD OF FORMER [REDACTED] USN,  
[PRESENTLY [REDACTED]]

c. A Probate Court of [REDACTED] County, [REDACTED] ordered and adjudged Petitioner's name change to [REDACTED] as evidence by enclosures (4).

d. The Board may consider applications for name changes to a Petitioner's DD Form 214 to correct an error or remove an injustice. The Petitioner provided justification demonstrating that having the former name on the DD Forms 214 causes an injustice. Although the military record was correct at the time it was made, former military personnel who have legally changed their name and sex, or are the subject of gender reassignment, may have their DD Form 214 changed to accurately reflect their present name and sex/gender. In this regard, the change may allow them to obtain various benefits, services, employment, etc., without being subject to otherwise invasive questions. However, the provisions/guidance only apply to the service-member's DD Form 214, and as such, no further changes will be made to the record.

#### CONCLUSION:

Upon review and consideration of all the evidence of record, the Board concludes that Petitioner's request warrants favorable action. The Board notes the legal actions taken by civil authorities to change Petitioner's name and gender and concludes that, the DD Forms 214 should be changed to reflect the Petitioner's present name and that Petitioner be issued "new and updated" DD Forms 214. In this regard, the Board noted that normally a DD Form 215 would be issued to correct the record; however, the Board concluded that new and updated DD Forms 214 are warranted to eliminate the possibilities of invasive questions. The Board further concluded that no other changes should be made to Petitioner's record, and that "previously issued DD Forms 214 and the new DD Forms 214 bearing the Petitioner's new name should remain in the record for historical purposes.

#### RECOMMENDATION:

Petitioner's naval record, specifically, Block 1 of the DD Form 214, be corrected to reflect the name [REDACTED] instead of [REDACTED]

Petitioner be issued new DD Form 214 which reflects the Petitioner's current name.

Petitioner's naval record, specifically the NAVPERS 1070/615, be corrected to reflect the name [REDACTED] instead of [REDACTED]

Petitioner be issued a new NAVPERS 1070/615 which reflects the Petitioner's current name.

No further changes be made to the record.

A copy of this report of proceedings be filed in Petitioner's naval record, along with the previously issued DD Form 214, DD Form 215, and NAVPERS 1070/615, and the corrected DD Form 214 and corrected NAVPERS 1070/615 which reflect Petitioner's name change.
