Encl: (1) DD Form 149 w/attachments

(3) Subject's naval record

1. Pursuant to the provisions of reference (a) Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected to reflect the Petitioner enlisted in the Navy Reserve solely under the Direct Procurement Enlistment Program (DPEP).

2. The Board, consisting of [REDACTED] reviewed Petitioner's allegations of error and injustice on 15 December 2017 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. In correspondence attached as enclosure (2), the office having cognizance over the subject matter addressed in Petitioner's application has commented to the effect that the request has merit and warrants favorable action.

#### CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action. Petitioner was initially going to enlist in the Navy Reserve under the Prior Service Reenlistment Eligibility- Reserve (PRISE-R) program. Upon review of the Petitioner's record, her recruiter determined she was eligible to enlist under DPEP as a result of her civilian work experience. On 12 August 2016, the Petitioner enlisted in the Navy Reserve for a term of

6-years under the DPEP; however paperwork for PRISE-R requirements was inadvertently included with her Navy Reserve gain package.

#### RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

The NAVPERS 1070/613, Administrative Remarks dated 12 August 2016 is null and void.  
Note: Remove counseling from Petitioner's Electronic Service Record/Official Military Personnel File (OMPF).

A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
