1. Pursuant to the provisions of reference (a) Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected to show reimbursement of household goods (HHG) move.

2. The Board, consisting of [REDACTED], reviewed Petitioner's allegations of error and injustice on 9 January 2018 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, relevant portions of your naval record and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows: Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

#### CONCLUSION

Upon review and consideration of all the evidence of record, the Board agreed that the Petitioner's permanent change of station orders (PCSO) were not issued in a timely manner and only allowed for a short period of time to report as required.
