Ref: (a) 10 U.S.C. § 1552

Encl: (1) DD Form 149
(2) Administrative Remarks (Page 11) Counseling dated 5 Dec 14

1. Pursuant to the provisions of reference (a), Petitioner, an enlisted member of the Marine Corps, filed enclosure (1) with this Board requesting the removal of two Administrative Remarks (Page 11) counseling entries dated 5 December 2014 and 3 January 2011 from his official military personnel file (OMPF). Enclosures (1) and (2) apply.

2. The Board, consisting of [REDACTED] reviewed Petitioner's allegations of error and injustice on 1 November 2017, and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. On 5 December 2014, the Petitioner signed a Page 11 counseling entry which stated in part, that she was being counseled concerning understanding the Marine Corps' policy on fraternization and that she understands, as a commissioned officer, she will be required to conduct herself as an officer with respect to all enlisted personnel. See enclosure (2).

c. Petitioner contends that the Page 11 was created in order for her to apply for the Enlisted to Warrant Officer Program, she was not selected, therefore, the Page 11 is invalid.

CONCLUSION:

Upon review and consideration of all the evidence of record, the Board concluded that Petitioner's request warrants favorable action.

In reaching its conclusion, the Board after careful consideration of the Petitioner's entire record, the Board concluded that even though the Page 11 counseling entry is valid and written in accordance with Marine Corps directive, because the Petitioner was not selected for the program the Page 11 entry is an erroneous entry and therefore the removal of enclosure (2) from the Petitioner's OMPF is warranted. The Board noted that the Petitioner's reference of the Page 11 dated 3 January 2011 was not located in the Petitioner's OMPF.

In view of the foregoing, the Board recommends the following corrective action:

RECOMMENDATION:

Petitioner's naval record be corrected by removing enclosure (2) from the Petitioner's OMPF.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
