Docket No. 7999-17

DEC 15 2017

[REDACTED]

Dear [REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of 10 U.S.C. §1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 17 November 2017. The names and votes of the members of the panel will be furnished upon request. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, relevant portions of your naval record and applicable statutes, regulations and policies.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. You requested to have your DD Form 214 corrected. The Board carefully weighed all potentially mitigating factors, such as your assertions that because you are retired that your DD Form 214 should reflect that you are retired. In this connection, the Board disagreed with your assertion. In accordance with regulations, DD Form 214's are only issued upon being either released or transferred from an active duty period greater than 90 day; not for time spent in the Fleet Reserve. Accordingly, your application has been denied.

It is regretted that the circumstances of your case are such that favorable action cannot be taken at this time. You are entitled to have the Board reconsider its decision upon the submission of new and material evidence. New evidence is evidence not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

[REDACTED]
Executive Director
