Ref: (a) Title 10 U.S.C. § 1552  
(b) The Joint Travel Regulations

Encl: (1) DD Form 149 w/attachments  
(2) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to show Petitioner was reimbursed for her Personally Procured Move (PPM).

2. The Board, consisting of ██████████, ██████████, and ██████████ reviewed Petitioner's allegations of error and injustice on 7 December 2023 and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations, and policies.

3. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. On 27 December 2022 (13:57), Weighed on a Fairbanks Scale receipt was issued at ██████████ with a weight of 21,420 lbs.

Subj: REVIEW OF NAVAL RECORD ICO FORMER MEMBER [REDACTED]

[REDACTED], USN, XXX-XX-[REDACTED]

d. Petitioner was discharged with an Honorable character of service and was issued a Certificate of Release or Discharge from Active Duty (DD Form 214) for the period of 11 September 2013 to 9 April 2023 upon completion of required active service.

e. On 5 December 2023, NAVSUP Fleet Logistics Center Norfolk notified the Board that Petitioner moved on 27 December 2022.

#### CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action. The Board concluded per reference (b) Household Goods (HHG) allowances are based on the when orders are effective and certain criteria must be met in order to execute HHG transportation before an order is issued. Petitioner was preparing to separate upon completion of required active service; therefore, Petitioner had reason to believe that official separation orders would be forthcoming.

#### RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner's official separation orders (BUPERS order [REDACTED]) were issued on "26 December 2022" vice "3 March 2023."

A copy of this report of proceedings will be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)), and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of the reference, has been approved by the Board on behalf of the Secretary of the Navy.
