

DEPARTMENT OF THE NAVY BOARD FOR CORRECTION OF NAVAL RECORDS 701 S. COURTHOUSE ROAD, SUITE 1001 ARLINGTON, VA 22204-2490

> Docket No. 9299-23 Ref: Signature Date

Dear		

This is in reference to your application for correction of your naval record pursuant to Section 1552 of Title 10, United States Code. After careful and conscientious consideration of relevant portions of your naval record and your application, the Board for Correction of Naval Records (Board) found the evidence submitted insufficient to establish the existence of probable material error or injustice. Consequently, your application has been denied.

A three-member panel of the Board, sitting in executive session, considered your application on 24 April 2024. The names and votes of the members of the panel will be furnished upon request. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, relevant portions of your naval record and applicable statutes, regulations, and policies. In addition, the Board considered the advisory opinion contained in Headquarters, U.S. Marine Corps memorandum 1070 MPO of 27 December 2023, which was previously provided to you for comment.

You requested establish entitlement to Continuation Pay (CP). The Board, in its review of your entire record and application, carefully weighed all potentially mitigating factors, to include your assertions. The Board concluded that you did not meet the eligibility criteria to receive CP in accordance with Marine Corps Bulletin 1800 dated 15 June 2021 and Marine Corps Administrative Message 084/22. Specifically, the policies indicate CP must be elected prior to completing 12 years of service (YOS) as calculated from the pay entry base date (PEBD). Additionally, the policies specify that notification of eligibility would be sent to eligible Marines 180 days and 30 days before reaching 12 years of service.

A review of your record indicates your PEBD is 12 September 2011, and you enrolled in the Blended Retirement System on 20 November 2018. CP eligibility notifications were posted to your leave and earnings statements 12 times between September 2022 and August 2023, and Marine Online notifications were posted 13 times from 14 October 2022 through 8 September 2023. Additionally, you were sent an email reminder on 1 August 2023 regarding your eligibility for CP and direction on making an election prior to reaching 12 YOS. In this

connection, the Board substantially concurred with the comments contained in the advisory opinion and determined a change to your record is not warranted.

You are entitled to have the Board reconsider its decision upon submission of new matters, which will require you to complete and submit a new DD Form 149. New matters are those not previously presented to or considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,
