1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to show Petitioner was eligible for and received the Fiscal Year 2024 (FY24) Selective Retention Bonus (SRB) for Primary Military Occupational Specialties 7314 in Zone C vice Zone D.

2. The Board, consisting of [REDACTED], and [REDACTED] reviewed Petitioner's allegations of error and injustice on 14 March 2024 and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations, and policies.

3. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice finds as follows:

f. In the advisory opinion, attached as enclosure (2), the office having cognizance over the subject matter addressed in Petitioner's application has commented to the effect that the request has merit and warrants favorable action.

CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action. The Board concluded that Petitioner submitted his reenlistment request to HQMC on 10 July 2023, however it was held back due to lack of SRB funding. On 14 September 2023, Petitioner entered Zone D. On 19 October 2023, Petitioner's request was approved, and he executed his reenlistment on 31 October 2023. Due to the lack of funding available and at no fault of Petitioner, he crossed out of Zone C while he waited for reenlistment approval.

RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner was discharged and reenlisted on 11/12 September 2023, vice on 30/31 October 2023 for a term of 4 years and 8 months vice 4 years.

Note: This change will entitle the member to a Zone "C" SRB for MOS 7314, E-7 & Above which is capped at \$11,500 for 48 months of additional obligated service. Remaining obligated service to 17 April 2024 will be deducted from SRB computation.

Note: The Board for Correction of Naval Records (BCNR) will not take any action with the Defense Finance and Accounting Service for the SRB payment. Petitioner's SRB payment will not be funded by the BCNR's Claims Line of Accounting (LOA). HQMC will secure funding via unexecuted SRB funds and will use their LOA to pay the SRB payment.

A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.

Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)), and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of the reference, has been approved by the Board on behalf of the Secretary of the Navy.
