Docket No. 10114-23

Subj: REVIEW OF NAVAL RECORD ICO █, USN RET,
█

Ref: (a) Title 10 U.S.C. § 1552
(b) DoD 7000.14-R¹
(c) DD Form 2656²

Encl: (1) DD Form 149 w/attachments
(2) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to reflect declined participation in the Survivor Benefit Plan (SBP).

2. The Board, consisting of █, █, and █ reviewed Petitioner's allegations of error and injustice on 26 June 2024 and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, found that, before applying to this Board, he exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. The Board made the following findings:

- a. On 15 May 2012, Petitioner entered active duty.
- b. On 16 April 2016, Petitioner married █.
- c. On 28 July 2023, Petitioner signed DD Form 2656, Data for Payment of Retired Personnel, but did not make an SBP election and the spouse did not sign the form.

¹ SBP elections must be made prior to retired pay becoming payable and the election to participate in or decline SBP is irrevocable. If not all requirements for an election needing the spouse's concurrence have been satisfied prior to retirement, for whatever reason, full spouse costs, and coverage will be implemented, regardless of any request by the member to do otherwise. Any change in SBP election subsequent to retirement will be done through an administrative correction of records as permitted by law.

² Indicates the spouse's concurrence is required before a notary witness when the service member elects either, child only SBP coverage; does not elect full SBP coverage; or declines SBP coverage.

[REDACTED]

d. Petitioner transferred to the Temporary Disability Retired List effective 16 September 2023 and automatically enrolled in SBP Spouse coverage as a result of not making an election.

e. On 20 November 2023, Petitioner signed DD form 2656-8, Survivor Benefit Plan (SBP) Automatic Coverage Fact Sheet.

f. On 24 June 2024, Petitioner and spouse signed SBP Affidavit before a notary witness requesting to decline SBP coverage as a result of receiving insufficient SBP information/counseling prior to the date of retirement.

CONCLUSION

Upon review and consideration of all the evidence of record, the Board finds the existence of an error warranting the following corrective action. The Board concluded Petitioner provided sufficient evidence to reflect his and spouse's desire to decline SBP coverage. Although Petitioner did not complete the proper administrative requirements, the Board determined that under this circumstance, relief is warranted.

RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner elected to decline participation in SBP coverage with proper spouse concurrence prior to transferring to the Temporary Disability Retired List effective 16 September 2023.

Note: The Defense Finance and Accounting Service will complete an audit of Petitioner's pay records to determine amounts due, if any.

A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)), and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of the reference, has been approved by the Board on behalf of the Secretary of the Navy.
