

Subj: REVIEW OF NAVAL RECORD ICO [REDACTED]
[REDACTED]

CONCLUSION

Upon review and consideration of all the evidence of record, the Board finds the existence of an injustice warranting the following corrective action. Petitioner met the basic eligibility criteria to transfer Post-9/11 GI Bill education benefits but failed to complete the administrative requirements outlined in reference (b).¹ Although the proper administrative requirements were not completed, the Board found Petitioner provided sufficient evidence reflecting intent to transfer education benefits and continues to serve on active duty since submitting his TEB application; therefore, the Board determined that under this circumstance, relief is warranted.

RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner, in coordination with his command completed the required Statement of Understanding on 8 October 2022 and submitted it to Commander, Navy Personnel Command for inclusion in the Petitioner's Official Military Personnel File.

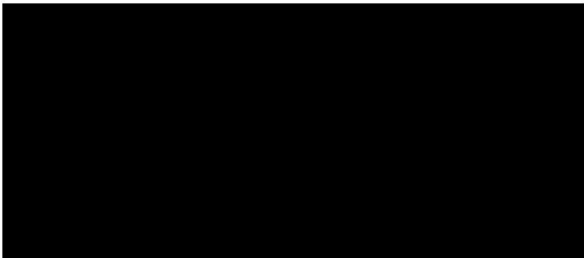

Petitioner elected to transfer unused education benefits to [REDACTED] through the MilConnect TEB portal on 8 October 2022.

Commander, Navy Personnel Command (PERS-311) reviewed Petitioner's TEB application and it was approved on 8 October 2022 with a 4-year service obligation.

A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.
5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)), and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of the reference, has been approved by the Board on behalf of the Secretary of the Navy.

¹ Reference (b), the basic criterion to TEB to eligible dependents requires the completion of at least 6 years Active Duty and/or Selected Reserve service; completion of the online, self-service Statement of Understanding prior to submitting a TEB application; and agreement to serve four additional years from the date of election in the MilConnect TEB portal. Additionally, the policy directs members to periodically check the status of their application; a denied TEB application requires members to take corrective action and reapply with a new service obligation end date.
