Dear ██████████,

This is in reference to your application for correction of your naval record pursuant to Section 1552 of Title 10, United States Code. After careful and conscientious consideration of relevant portions of your naval record and your application, the Board for Correction of Naval Records (Board) found the evidence submitted insufficient to establish the existence of probable material error or injustice. Consequently, your application has been denied.

A three-member panel of the Board, sitting in executive session, considered your application on 28 August 2024. The names and votes of the members of the panel will be furnished upon request. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, relevant portions of your naval record and applicable statutes, regulations, and policies.

You requested to change your record to reflect declined participation in the Survivor Benefit Plan (SBP). The Board, in its review of your entire record and application, carefully weighed all potentially mitigating factors, to include your assertions. The Board concluded that in accordance with Department of Defense Financial Management Regulation 7000.14-R, SBP elections must be made prior to retired pay becoming payable and the election to participate in or decline SBP is irrevocable. Any change in SBP election subsequent to retirement will be done through an administrative correction of records as permitted by law. Pursuant to Public Law 117-263 § 643, enacted on 23 December 2022, a person participating in the SBP on the day before the first day of the open season may elect to discontinue such participation during the open season. The open season described in this subsection is the period beginning on the date of the enactment of this Act and ending on 1 January 2024. However, previously paid premiums will not be refunded.

A review of your record reflects you transferred to the Permanent Disability Retired List effective 29 June 2023. Because the Defense Finance and Accounting Service (DFAS) did not receive a DD Form 2656, Data for Payment of Retired Personnel prior to your retirement, you were automatically enrolled in SBP Spouse coverage. On 20 January 2024, you signed Survivor

Benefit Plan (SBP) and Reserve Component Survivor Benefit Plan (RCSBP) Open Season Election to Discontinue Participation. The DFAS denied the request on 27 January 2024 because you were ineligible to discontinue SBP coverage based on the aforementioned law. The Board noted that you received SBP Spouse coverage from 29 June 2023 and your beneficiary would have received an annuity if something happened to you during this time. Therefore, the Board determined that a change to your record is not warranted and advised that you may discontinue SBP coverage by submitting DD Form 2656-2, Survivor Benefit Plan (SBP) Termination Request to DFAS within 25 to 36 months after receiving retired pay effective 29 June 2023.

You are entitled to have the Board reconsider its decision upon submission of new matters, which will require you to complete and submit a new DD Form 149. New matters are those not previously presented to or considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

9/11/2024
