[REDACTED]

Ref: (a) Title 10 U.S.C. § 1552
(b) DoDFMR, Vol 7B

Encl: (1) DD Form 149 w/attachments
(2) Subject's Naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to reflect declined participation in the Survivor Benefit Plan (SBP).

2. The Board, consisting of [REDACTED], [REDACTED] and [REDACTED] reviewed Petitioner's allegations of error and injustice on 7 August 2024 and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations, and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, found that, before applying to this Board, he exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. The Board made the following findings:

a. On 31 December 2020, Petitioner married [REDACTED].

b. On 6 November 2023, Petitioner signed DD Form 2656, Data for Payment of Retired Personnel and elected Spouse only coverage. However, did not elect SBP Level of Coverage in Block 37.

c. Petitioner transferred to the Permanent Disability Retired List (PDRL) effective 29 November 2023 and SBP Spouse only premium deductions began.

d. On 5 August 2024, Petitioner, and his spouse both signed an affidavit indicating that they desired Petitioner's SBP election to be changed to reflect that he declined SBP coverage. Petitioner indicated that he "received insufficient SBP information/counseling prior to [his] date of retirement."

[REDACTED]

CONCLUSION

Upon review and consideration of all the evidence of record, the Board finds the existence of an error warranting the following corrective action. The Board determined Petitioner was medically retired from the U.S. Navy with 5 years of total active duty service. The Board concluded an Aviation Ordnanceman with 5 years of service would not have enough knowledge of the SBP program without in-depth training on the subject matter, therefore determined that under these circumstances, relief is warranted.

RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner elected to decline participation in SBP with proper spouse concurrence prior to transferring to the PDRL effective 29 November 2023.

Note: The Defense Finance and Accounting Service will complete an audit of Petitioner's pay records to determine amounts due, if any.

A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.
5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)), and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of the reference, has been approved by the Board on behalf of the Secretary of the Navy.
