1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to show Petitioner reenlisted on 19 March 2024 and was eligible for and received a Selective Reenlistment Bonus (SRB).

2. The Board, consisting of ██████████, ██████████, and ██████████ reviewed Petitioner's allegations of error and injustice on 25 April 2024 and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations, and policies.

3. Before applying to the Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. The Board having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. On 19 March 2014, Petitioner entered active duty.

CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action. The Board concluded Petitioner reenlisted for 6 years on 5 January 2022 and received a Zone B SRB. On 16 January 2024, Petitioner reenlisted for 6 years and was erroneously approved for a Zone B SRB. In accordance with reference (b), a member may receive only one SRB per zone during a career. Petitioner should have been advised to reenlist after he crossed into Zone C on 19 March 2024 to receive a Zone C SRB.

RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner was discharged and reenlisted on "18/19 March 2024" vice "15/16 January 2024" for a term of 6 years.

Note: This change will entitle the member to a Zone "C" SRB with an award level of 0.5 (\$30,000 award ceiling) for the MM(SW)/U68A rate/NEC. Remaining obligated service to 4 January 2028 will be deducted from SRB computation.

Note: The Board for Correction of Naval Records (BCNR) will not take any action with the Defense Finance and Accounting Service for the SRB payment. A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)), and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of the reference, has been approved by the Board on behalf of the Secretary of the Navy.
