Docket No. 1990-24

Subj: REVIEW OF NAVAL RECORD ICO [REDACTED]
[REDACTED]

Ref: (a) Title 10 U.S.C. § 1552
(b) BUPERSNOTE 1780

Encl: (1) DD Form 149 w/attachments
(2) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to redistribute unused Post-9/11 GI Bill education benefits to his eligible dependents.

2. The Board, consisting of [REDACTED] reviewed Petitioner's allegations of error and injustice on 3 April 2024 and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations, and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, found that, before applying to this Board, he exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. The Board made the following findings:

a. Petitioner's Active Duty Service Date was 19 May 1989.

b. On 2 September 1994, Petitioner [REDACTED] and they had four children:

[REDACTED]
[REDACTED] (dependency began on 22 September 2007), and [REDACTED]
[REDACTED]

c. On 13 November 2009, Petitioner submitted Transfer of Education Benefits (TEB) application and allocated 36 months of education benefits to [REDACTED]. The Service approved the application with an obligation end date of 1 August 2009.

d. Petitioner transferred to the Retired List effective 1 September 2015 with 26 years, 3 months, and 12 days of active duty service.

Subj: REVIEW OF NAVAL RECORD ICO [REDACTED]

e. The Benefits for Education Administrative Services Tool (BEAST) Education Summary reflects that Petitioner's son, [REDACTED] used 29 months of education benefits; last payment was 22 May 2018.

CONCLUSION

Upon review and consideration of all the evidence of record, the Board finds the existence of an injustice warranting the following corrective action. Petitioner was approved to transfer Post-9/11 GI Bill education benefits and completed his service obligation, however failed to allocate benefits to each of his dependent children prior to transferring to the Retired List. Although Petitioner did not complete the proper administrative requirements, the Board found that had he received clear counseling from his command regarding the inability to distribute the education benefits upon transferring to the Retired List, he would have taken appropriate action. Therefore, the Board determined that under this circumstance, relief is warranted.

RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner reallocated education benefits to [REDACTED] through the MilConnect TEB portal prior to transferring to the Retired List effective 1 September 2015.

Note: Commander, Navy Personnel Command (PERS-311) will ensure Petitioner's BEAST Family Member History is updated with the aforementioned approved allocation of education benefits.

A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)), and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of the reference, has been approved by the Board on behalf of the Secretary of the Navy.
