Subj: REVIEW OF NAVAL RECORD ICO [REDACTED], USN,

CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an error warranting the following corrective action. The Board concluded that on 18 December 2023 Petitioner was issued official change of duty orders BUPERS Order: [REDACTED] with obligated service to July 2029. At that time, a Zone C SRB was authorized in accordance with reference (c). On 27 December 2023, Petitioner reenlisted for 6 years, however Petitioner was still in Zone B and had already received a Zone B SRB. In accordance with reference (b), a member may receive only one SRB per zone during a career. The Board determined that Petitioner should have been advised to reenlist after entering Zone C.

RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner was discharged and reenlisted on "17/18 January 2024" vice "26/27 December 2023" for a term of 6 years.

Note: This change will entitle the member to a Zone "C" SRB with an award level of 0.5 (\$30,000 dollar award ceiling) for the MM/U59A rate/NEC. Remaining obligated service to 13 February 2024 will be deducted from SRB computation.

Note: The Board for Correction of Naval Records (BCNR) will not take any action with the Defense Finance and Accounting Service for the SRB payment. Petitioner's SRB payment will not be funded by the BCNR's Claims Line of Accounting (LOA). The Navy will secure funding via unexecuted SRB funds and will use their LOA to pay the SRB payment.

That a copy of this report of proceedings will be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)), and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of the reference, has been approved by the Board on behalf of the Secretary of the Navy.
