CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action. The Board concluded that on 10 November 2020, Petitioner was issued BUPERS order: [REDACTED] with required obligated service to June 2024. At that time, a Zone B SRB was authorized in accordance with reference (c), however Petitioner was still in Zone A. On 13 January 2021, Petitioner entered Zone B. On 1 February 2021, NSIPS/ESR shows an 11-month agreement to extend enlistment to meet the OBLISERV. The Board determined that Petitioner should have signed a NAVPERS 1070/613 vice extension of enlistment. On 30 November 2022, Petitioner would have been eligible to reenlist for 4 years and receive a Zone B SRB.

RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner's 11-month agreement to extend enlistment (NAVPERS 1070/621) operative on 28 July 2023 is null and void.

Subj: REVIEW OF NAVAL RECORD ICO [REDACTED], USN,
XXX-XX-[REDACTED]

Petitioner executed an Administrative Remarks (NAVPERS 1070/613) on 1 February 2021 agreeing to extend enlistment for 11 months for OBLISERV to June 2024.

Petitioner was discharged 29 November 2022 and reenlisted on 30 November 2022 for a term of 4 years.

Note: This change will entitle Petitioner to a Zone "B" SRB with an award level of "8.5" (\$100,000 award ceiling) for the ETN(SW)/N23O rating/NEC. Remaining obligated service to 27 July 2023 will be deducted from SRB computation. Furthermore, that any other entries affected by the Board's recommendation be corrected.

The Board for Correction of Naval Records (BCNR) will not take any action with the Defense Finance and Accounting Service (DFAS) for the SRB payment. Petitioner's SRB payment will not be funded by the BCNR's Claims Line of Accounting (LOA). LT [REDACTED] at N133D has secured funding via unexecuted SRB funds and will use their LOA to pay the SRB payment and will coordinate directly with the DFAS to determine Petitioner's incentive. Contact the Assistant Nuclear Enlisted Program Manager, N133D, LT [REDACTED], [REDACTED] concerning SRB payment.

A copy of this Report of Proceedings will be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)), and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of the reference, has been approved by the Board on behalf of the Secretary of the Navy.
