2. The Board, consisting of ██████████ reviewed Petitioner's allegations of error and injustice on 5 September 2024 and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations, and policies.

j. In the advisory opinion, attached as enclosure (2), the office having cognizance over the subject matter addressed in Petitioner's application has commented to the effect that the request has merit and warrants favorable action.

CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action. The Board concluded that Petitioner was in receipt BUPERS order: 0873, with required obligated service to November 2027. NSIPS shows Petitioner reenlisted for 4 years on 8 September 2023 and was erroneously approved for a Zone A, DC/0000, 0.5 award level SRB. However, Petitioner had already received a Zone A SRB for his reenlistment on 26 June 2020. Per reference (b), a member may only receive one SRB per zone during a career. The Board determined that a 29-month extension would satisfy the required obligated service in BUPERS order: 0873.

RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner's 4-year immediate reenlistment contract (NAVPERS 1070/601) executed on 8 September 2023 is null and void.

Petitioner executed a 29-month agreement to extend enlistment (NAVPERS 1070/621) on 13 December 2023. Note: This will reestablish an EAOS of 25 June 2024 and Soft EAOS of 25 November 2026.

A copy of this report of proceedings will be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above titled matter.
5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)), and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of the reference, has been approved by the Board on behalf of the Secretary of the Navy.
