Ref: (a) 10 U.S.C. 1552
(b) 10 U.S.C. 654 (Repeal)
(c) UNSECDEF Memo OF 20 Sep 11 (Correction of Military Record following Repeal of U.S.C. 654)

Encl: (1) DD Form 149
(2) Naval record (excerpts)

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected in accordance with references (b) and (c). Enclosure (2) applies.

2. The Board, consisting of ██████████, ██████████, and ██████████, reviewed Petitioner's allegations of error and injustice on 24 May 2024 and, pursuant to its regulations, determined that the corrective action indicated below should be taken. Documentary material considered by the Board consisted of Petitioner's application together with all material submitted in support thereof, relevant portions of Petitioner's naval record, and applicable statutes, regulations, and policies, to include references (b) and (c).

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. Although enclosure (1) was not filed in a timely manner, it is in the interest of justice to review the application on its merits.

c. Petitioner enlisted in the Marine Corps and began a period of active service on 28 December 1979. During a medical evaluation on 8 October 1980, Petitioner admitted he was a homosexual. Consequently, Petitioner was notified he was recommended for administrative separation by reason of misconduct due to sexual perversion. The Separation Authority

approved Petitioner's discharge and he was honorably discharged, on 16 January 1981, by reason of misconduct due to sexual perversion.

d. References (b) and (c) set forth the Department of the Navy's current policies, standards, and procedures for correction of military records following the "don't ask, don't tell" (DADT) repeal of 10 U.S.C. 654. It provides service Discharge Review Boards with the guidance to grant requests to change the narrative reason for discharge to "Secretarial Authority," SPD code to "JFF1," and reentry code to "RE-1J," when the original discharge was based solely on DADT or a similar policy in place prior to enactment of it and there are no aggravating factors in the record, such as misconduct.

CONCLUSION:

Upon review and consideration of all the evidence of record, and especially in light of references (b) and (c), the Board determined that full relief is warranted. The Board noted Petitioner was discharged based solely on his homosexuality and had no aggravating factors in his record.

RECOMMENDATION:

In view of the above, the Board directs the following corrective action:

Petitioner be issued a new DD Form 214 and new discharge certificate indicating a narrative reason for separation of "Secretarial Authority," separation code of "JFF1," separation authority of "MARCORPSEPMAN 6214," and reentry code of "RE-1J."

That a copy of this report of proceedings be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulation, Section 723.6(e)) and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of reference (a), has been approved by the Board on behalf of the Secretary of the Navy.
