CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action. The Board concluded that on 6 November 2020 Petitioner was issued BUPERS order: with required obligated service to June 2024. At that time, a Zone "B" SRB was authorized in accordance with reference (c), however Petitioner was still in Zone A. On 10 February 2021 Petitioner entered Zone B. On 13 June 2022 the Navy Standard Integrated Personnel System/Electronic Service Record displayed an 8-month agreement to extend enlistment to meet the obligated service. The Board determined that Petitioner should have signed a NAVPERS 1070/613 vice extension of enlistment. As such, Petitioner would have been eligible to reenlist on 15 February 2022 for 3 years and receive a Zone "B" SRB.

RECOMMENDATION

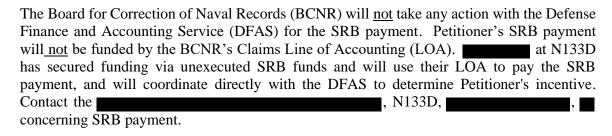

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner's 8-month agreement to extend enlistment (NAVPERS 1070/621) operative on 13 December 2023 is null and void.

Petitioner executed an Administrative Remarks (NAVPERS 1070/613) on 13 June 2022 agreeing to extend enlistment for 6 months with obligated service to June 2024.

Petitioner was discharged 14 February 2022 and reenlisted on 15 February 2022 for a term of 3 years.

Note: This change will entitle Petitioner to a Zone "B" SRB with an award level of "8.5" (\$100,000 award ceiling) for the EMN(SW)/N24S, rating/NEC. Remaining obligated service to 12 December 2023 will be deducted from SRB computation. Furthermore, that any other entries affected by the Board's recommendation be corrected.

That a copy of this report of proceedings be filed in Petitioner's naval record.

- 4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above-entitled matter.
- 5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)), and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of the reference, has been approved by the Board on behalf of the Secretary of the Navy.
