Ref: (a) Title 10 U.S.C. § 1552
(b) MILPERSMAN 1810-081
(c) NAVADMIN 117/22

Encl: (1) DD Form 149 w/attachments
(2) Advisory Opinion by OPNAV (N130), 8 Apr 24
(3) Subject's Naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that her naval record be corrected to establish entitlement to Continuation Pay (CP).

2. The Board, consisting of ██████████, ██████████, and ██████████ reviewed Petitioner's allegations of error and injustice on 11 September 2024 and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations, and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, found that, before applying to this Board, she exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. The Board made the following findings:

- a. Petitioner's Pay Entry Base Date (PEBD) is 8 March 2011.
- b. Petitioner elected to opt-into the Blended Retirement System (BRS) on 3 December 2018.
- c. Petitioner's first day eligible to elect CP was 7 September 2022.
- d. On 8 February 2023, Petitioner reached 11 years 11 months of service from PEBD; Navy Standard Integrated Personnel System (NSIPS) CP eligibility notification emailed to ██████████.
- e. Petitioner's last day eligible to elect CP was 7 March 2023.
- f. On 11 September 2024, Petitioner acknowledged CP eligibility, CP obligated service requirements outlined in reference (b) and elected to receive CP in lump sum.

CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an error warranting the following corrective action. Petitioner met the eligibility criteria for CP, however failed to make the election in accordance with references (b) and (c)¹ prior to passing the 12-year service deadline. The Board concluded that Petitioner's incorrect e-mail address in NSIPS contributed to not receiving CP eligibility e-mail notifications. Although Petitioner did not complete the proper administrative requirements, the Board determined that under these circumstances, relief is warranted.

RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner in coordination with her command completed the required Continuation Pay NAVPERS 1070/613, Administrative Remarks prior to reaching 12 years of serve and submitted it to Commander, Navy Personnel Command for inclusion in the Petitioner's naval record.

Commander, Navy Personnel Command (PERS-8) validated Petitioner's CP eligibility and released CP authorization to the Defense Finance and Accounting Service (DFAS). Note: The DFAS will complete an audit of Petitioner's pay records to determine retroactive pay entitlement.

A copy of this report of proceedings will be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above titled matter.
5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)), and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of the reference, has been approved by the Board on behalf of the Secretary of the Navy.
