Dear ██████████,

This is in reference to your application for correction of your naval record pursuant to Section 1552 of Title 10, United States Code. After careful and conscientious consideration of relevant portions of your naval record and your application, the Board for Correction of Naval Records (Board) found the evidence submitted insufficient to establish the existence of probable material error or injustice. Consequently, your application has been denied.

A three-member panel of the Board, sitting in executive session, considered your application on 25 September 2024. The names and votes of the members of the panel will be furnished upon request. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, relevant portions of your naval record and applicable statutes, regulations, and policies.

You requested to decline participation in Survivor Benefit Plan (SBP). The Board, in its review of your entire record and application, carefully weighed all potentially mitigating factors, to include your assertions. The Board concluded that Department of Defense Financial Management Regulation 7000.14-R specifies that SBP elections must be made prior to retired pay becoming payable and the election to participate in or decline SBP is irrevocable. If not all requirements for an election needing the spouse's concurrence have been satisfied prior to retirement, for whatever reason, full spouse costs, and coverage will be implemented, regardless of any request by the member to do otherwise. However, service members are eligible to discontinue SBP coverage by submitting DD Form 2656-2, Survivor Benefit Plan (SBP) Termination Request to the Defense Finance and Accounting Service (DFAS), within 25 to 36 months after receiving retire pay.

A review of your record reflects you signed DD Form 2656, Data for Payment of Retired Personnel on 5 June 2023 and elected Spouse and Child coverage with level of coverage based on the threshold amount in effect on the date of retirement. You provided the Board with an incomplete DD Form 2656, Data for Payment of Retired Personnel signed by you and your
