Zone C applies to those active component Marines with 10 to 14 years of active military service. ## CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an error warranting the following corrective action. The Board concluded that on 29 September 2022, Petitioner's Careerist Active Duty Lateral Move request was submitted requesting a 48-month reenlistment with lateral move into PMOS 6218. Petitioner reenlisted on 19 November 2022 for 4 years. Petitioner was not approved for SRB because PMOS 6218 was not listed with the LM designation. However, Petitioner held the PMOS of 6227 which was listed in reference (b) as an F-35 like PMOS for 6218. Paragraph 3.c.1 states that "Any reenlistment eligible Marine in Zone A, B, and C holding an F-35 like PMOS, will rate the F-35 PMOS bonus payment when they gain the F-35 PMOS." The Board determined that Petitioner was eligible for a Zone C SRB for PMOS 6218 effective the date PMOS 6218 was awarded, however due to administrative oversight, Petitioner was not approved for SRB.

## RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner's enlistment/reenlistment document (DD Form 4) executed on 19 November 2022 was for a term of 4 years and 8 months vice 4 years.

Note: This change will entitle the member, effective on the date he was awarded PMOS 6218, to a Zone "C" SRB for MOS 6218, E-6, which is capped at \$16,740 for 48 months of additional obligated service. Remaining obligated service to 23 June 2023 will be deducted from SRB computation.

A copy of this report of proceedings will be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above titled matter.

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)), and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of the reference, has been approved by the Board on behalf of the Secretary of the Navy.
