1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that his naval record be corrected to reflect declined participation in the Survivor Benefit Plan (SBP).

2. The Board, consisting of ██████████, ██████████, and ██████████ reviewed Petitioner's allegations of error and injustice on 29 October 2024 and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations, and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, found that, before applying to this Board, she exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. e. On 7 June 2024, Petitioner signed DD Form 2656-2, Survivor Benefit Plan (SBP) Termination Request with proper notarized spousal concurrence.

f. On 23 September 2024, Petitioner signed SBP Affidavit before a notary witness requesting to decline SBP coverage.

CONCLUSION

Upon review and consideration of all the evidence of record, the Board finds the existence of an error warranting the following corrective action. The Board concluded Petitioner provided sufficient evidence to reflect his and spouse's desire to decline SBP coverage prior to transferring to the Fleet Reserve. Although the proper administrative requirements was not completed, the Board determined that under these circumstances, relief is warranted.
