Ref: (a) Title 10 U.S.C. § 1552
(b) The Joint Travel Regulations (JTR)

Encl: (1) DD Form 149 w/attachments
(2) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board), requesting that naval record be corrected to show that BUPERS Order ██████████ (Official Recall Active Duty Orders) were issued on an appropriate date to permit payment of Household Goods (HHG) shipment claim.

2. The Board, consisting of ██████████, ██████████, and ██████████ reviewed Petitioner's allegations of error and injustice on 16 January 2025 and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, relevant portions of Petitioner's naval record, and applicable statutes, regulations, and policies.

3. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice finds as follows:

a. On 14 February 2024, Petitioner signed a Navy Reserve Definite Recall Application (NAVPERS 1300/29) with the following general criteria: This billet is a RP (recall) requirement. Advertisement for this position/ additional documentation not required; applicant is a voluntary by-name-request (BNR) submitted by supported command. Section I to be completed by PERS-92. Furthermore, Navy Reserve Activity approved the application.

b. On 25 March 2024, Petitioner was issued NAVPERSCOM Order 3156 official temporary recall orders with a starting location of ██████████ "You are hereby ordered to report for voluntary temporary recall under the authority of title 10 USC Section 12301 (d) and IAW reference A. The term of these orders is 24 months and ends 04 2026. Any continued service on active duty is not authorized. Additionally, upon completion of the period, you will be returned to the address indicated on the orders, and upon arrival you will be officially released

from active duty. Service beyond the end date of these orders requires the member to reapply through COMNAVPERSCOM (PERS-92).”

c. On 27 March 2024, Petitioner arrived at [REDACTED] for temporary duty and transferred from [REDACTED] on 10 April 2024 and arrived at MDSC on 11 April 2024 for duty.

d. On 13 June 2024, [REDACTED] notified Petitioner that “[a] review of the documentation supporting the claim shows that you initiated shipment of your HHGs on 22 Mar 2024 prior to the 25 Mar 2024 issue date of your orders. Since shipment was made prior to the issuance of orders, this office has no legal basis to permit payment of your claim.”

CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an error warranting the following corrective action. The Board concluded per reference (b) HHG allowances are based on the when orders are effective, and certain criteria must be met in order to execute HHG transportation before an order is issued. On 14 February 2024, Petitioner signed a Navy Reserve Definite Recall Application, which was approved by the Navy Reserve Activity, therefore Petitioner had reason to believe that official temporary recall orders would be forthcoming.
