Dear ██████████,

This is in reference to your application for correction of your naval record pursuant to Section 1552 of Title 10, United States Code. After careful and conscientious consideration of relevant portions of your naval record and your application, the Board for Correction of Naval Records (Board) found the evidence submitted insufficient to establish the existence of probable material error or injustice. Consequently, your application has been denied.

A three-member panel of the Board, sitting in executive session, considered your application on 23 October 2024. The names and votes of the members of the panel will be furnished upon request. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, relevant portions of your naval record and applicable statutes, regulations, and policies. In addition, the Board considered the advisory opinion contained in Office of the ██████████ ██████████ memorandum ██████████, which was previously provided to you for comment.

You requested to establish entitlement to Continuation Pay (CP). The Board, in its review of your entire record and application, carefully weighed all potentially mitigating factors, to include your assertions. However, the Board concluded that you did not meet the eligibility criteria to receive CP in accordance with Military Personnel Manual Article 1810-081 and Navy Administrative (NAVADMIN) message 132/19. Specifically, the policies indicate Sailors who enrolled in Blended Retirement System (BRS) are eligible to receive mid-career CP at 12 years of service (YOS) in exchange for an agreement to serve four additional years of obligated service, to run concurrent with any existing service obligation. For the purpose of CP eligibility, 12 YOS is computed from the member's Pay Entry Base Date (PEBD). Additionally, NAVADMIN 132/19 directed Sailors to provide Navy Standard Integrated Personnel System (NSIPS) with an up-to-date email address to receive email notifications of eligibility. Sailors that were unable to elect CP through NSIPS could have manually elected CP through their Command Career Counselor.
