Dear Petitioner:

This is in reference to your application for correction of your naval record pursuant to Title 10, United States Code, Section 1552.

Your application was not filed in a timely manner. A three-member panel of the Board, sitting in executive session, considered your application on 11 October 2024. You request a medical discharge and a new DD Form 214, Certificate of Release or Discharge from Active Duty that reflects an upgraded separation code. The Board found you did not provide a sufficient basis to excuse the failure to submit your application in a timely manner. The Board thus determined your request should be denied due to the length of time since the determination of the reason and basis of your discharge.

In the absence of sufficient new evidence for reconsideration, the decision of the Board is final, and your only recourse would be to seek relief, at no cost to the Board, from a court of appropriate jurisdiction.

Sincerely,

11/8/2024
