(b) 10 U.S.C. 654 (Repeal)

(c) UNSECDEF Memo of 20 Sep 11 (Correction of Military Records Following Repeal of 10 U.S.C. 654)

(2) Naval record (excerpts)

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board) requesting his record be changed consistent with references (b) and (c).

2. The Board, consisting of [REDACTED] and [REDACTED], reviewed Petitioner's allegations of error and injustice on 9 December 2024 and, pursuant to its regulations, determined that the corrective action indicated below should be taken. Documentary material considered by the Board consisted of Petitioner's application together with all material submitted in support thereof, relevant portions of Petitioner's naval record, applicable statutes, regulations, and policies, to include references (b) and (c).

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. Although Petitioner's application was not filed in a timely manner, the Board found it in the interest of justice to waive the statute of limitations and consider the case on its merits.

b. Petitioner enlisted in the U.S. Navy began a period of active duty on 16 December 1983.

c. On 18 March 1985, Petitioner submitted a statement to Naval Investigative Service admitting to homosexual acts.

d. On 29 October 1985, Petitioner was notified of administrative separation processing due to fraudulent entry/homosexuality. He waived his procedural rights to consult with counsel and to have his case heard before an administrative discharge board. Ultimately, the Separation

Authority directed his separation by reason of fraudulent entry due to his homosexual admission and Petitioner was discharged with a Under Honorable Conditions (General) characterization of service on 25 November 1985.

e. Petitioner contends that following his father's death, he disclosed his homosexuality. Although processed for separation, his discharge was delayed, and he completed the deployment, likely due to personnel shortages. During this time, he endured the mental abuse of fearing for his safety, including concerns about being pushed overboard because of his admission.

f. Reference (c) sets forth the Department of the Defense's current policies, standards, and procedures for correction of military records following the "don't ask, don't tell" (DADT) repeal of 10 U.S.C. 654. It provides service Discharge Review Boards with guidance to normally grant requests to change the characterization of service to "Honorable," narrative reason for discharge to "Secretarial Authority," and an SPD code to "JFF," when the original discharge was based solely on DADT or a similar policy in place prior to enactment of it and there are no aggravating factors in the record, such as misconduct.

CONCLUSION:

Upon review and consideration of all the evidence of record, the Board concludes that Petitioner's request warrants relief. The Board noted Petitioner's record supports that he was solely discharged on the basis of homosexuality. Additionally, the Board found no aggravating factors in Petitioner's record and determined he was entitled to full relief under reference (c).

RECOMMENDATION:

In view of the above, the Board recommends that the following corrective action be taken on Petitioner's naval record in the interests of justice:

That Petitioner be issued a new DD Form 214 reflecting that, for the period ending 25 November 1985, Petitioner's characterization of service was "Honorable," the narrative reason for separation was "Secretary Plenary Authority," the SPD code assigned was "JFF," the reenlistment code was "RE-1," and the separation authority was "MILPERSMAN 3630900."

Petitioner be issued an Honorable Discharge Certificate.

That no further correction action be taken on Petitioner's naval record.

That a copy of this record of proceedings be filed in Petitioner's naval record.

4. It is certified that quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
