Dear Petitioner:

This is in reference to your application for correction of your naval record pursuant to Title 10, United States Code, Section 1552.

Your application was not filed in a timely manner. A three-member panel of the Board, sitting in executive session, considered your application on 11 October 2024. The Board determined that your personal appearance, with or without counsel, would not materially add to their understanding of the issues involved. You requested placement on the Permanent Disability Retired List, and you contend that it would be in the interest of justice to excuse your failure to submit your application in timely manner because you requested your records via the Freedom of Information Act but did not receive any documentation. The Board determined this was an insufficient reason to excuse your failure to submit your application in timely manner. In reaching this conclusion, the Board noted you were discharged from the Marine Corps nearly twenty years ago with a RE-1A reentry code, indicating you were medically cleared and recommended for reenlistment.

In the absence of sufficient new evidence for reconsideration, the decision of the Board is final, and your only recourse would be to seek relief, at no cost to the Board, from a court of appropriate jurisdiction.

Sincerely,

11/8/2024
