Dear Petitioner:

This is in reference to your application for correction of your naval record pursuant to Title 10, United States Code, Section 1552.

Your application was not filed in a timely manner. A three-member panel of the Board, sitting in executive session, considered your application on 12 December 2024. You contend your entry level separation should be changed to a medical discharge because you never had your condition before you joined the Navy in 1990. In reviewing your application, the Board observed that you did not provide a sufficient basis to excuse your failure to submit your application in a timely manner. The Board thus determined your request should be denied due to the length of time since the determination of the reason and basis of your discharge.

In the absence of sufficient new evidence for reconsideration, the decision of the Board is final, and your only recourse would be to seek relief, at no cost to the Board, from a court of appropriate jurisdiction.

Sincerely,

12/19/2024
