ECC from 1 October 23 to 30 September 24 are encouraged to thoroughly review the contents of this MARADMIN.

Zone A applies to those active component Marines with 17 months to 6 years of active military service. First term Marines with exactly 6 years of active military service on the date of reenlistment may be paid a zone A PMOS bonus if they have not previously received a zone A PMOS bonus. Furthermore, a zone "A" SRB for MOS 0621, E-5 and above, which is capped at \$15,750 for 48 months of additional obligated service.

f. In accordance with reference (c) announced changes to reference (a). This update to the Fiscal Year (FY) 2024 SRB Program supports the Service's evolving retention culture based on Fleet Marine Force requirements, providing Marines with proven performance and desired skills an opportunity to reenlist earlier in their careers.

This MARADMIN broadens the reenlistment eligible population and provides amplified kicker information as detailed below: 3.a.(1). Marines whose expiration of current contract is in FY24 and FY25 (1 October 2023 to 30 September 2025).

g. On 12 April 2024, Petitioner's Careerist Active-Duty SDA w/reenlistment/HSST request was submitted and approved by HQMC on 11 July 2024. Approved MOS: 0621. Approval Section stated: "A" reenlistment of 5 years and 2 months, effective 07/25/2024, will result in SRB payment of \$15,750 for 48 months of additional obligated service.

h. On 16 July 2024, Petitioner entered zone B.

i. On 25 July 2024, Petitioner reenlisted for 5 years and 2 months with an ECC of 24 September 2029.

CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action. The Board concluded that Petitioner's reenlistment request with zone A SRB was approved for while she was still in zone A, however due to administrative oversight, she reenlisted after crossing into zone B making her ineligible to receive the approved zone A SRB.

RECOMMENDATION

That Petitioner's naval record be corrected, where appropriate, to show that:

Petitioner was discharged and reenlisted on 13/14 July 2024 vice 24/25 July 2024 for a term of 5 years and 2 months.

Note: This change will entitle the member to the zone A SRB for PMOS 0621, E-5 and above, which is capped as \$15,750 for 48 months of additional obligated service. Remaining obligated service to 9 September 2025 will be deducted from SRB computation.

A copy of this report of proceedings will be filed in Petitioner's naval record.
