

**DEPARTMENT OF THE NAVY**  
BOARD FOR CORRECTION OF NAVAL RECORDS  
701 S. COURTHOUSE ROAD, SUITE 1001  
ARLINGTON, VA 22204-2490

  
Docket No. 11074-24  
Ref: Signature Date

  
  
  
  
Dear Petitioner:

This is in reference to your application for correction of your naval record pursuant to Title 10, United States Code, Section 1552.

Your application was not filed in a timely manner. A three-member panel of the Board, sitting in executive session, considered your application on 12 December 2024. The Board determined that your personal appearance, with or without counsel, would not materially add to their understanding of the issues involved. You contend that you were selected for advancement to E-7, but never received notification, and your command did not advance you. If you had known you were selected, you claim that you would have done everything to retain the rank through retirement. In reviewing your application, the Board observed that you did not provide a sufficient basis to excuse your failure to submit your application in a timely manner. The Board thus determined your request should be denied due to the length of time since your selection.

In the absence of sufficient new evidence for reconsideration, the decision of the Board is final, and your only recourse would be to seek relief, at no cost to the Board, from a court of appropriate jurisdiction.

Sincerely,

12/20/2024
