(2) Case summary

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with the Board for Correction of Naval Records (Board) requesting his discharge be upgraded to Honorable, and he seeks access to all benefits afforded him as a service-connected disable veteran.

2. The Board, consisting of ██████████, ██████████ and ██████████, reviewed Petitioner's allegations of error and injustice on 3 March 2025 and, pursuant to its regulations, determined that the corrective action indicated below should be taken. Documentary material considered by the Board consisted of Petitioner's application together with all material submitted in support thereof, relevant portions of Petitioner's naval record, applicable statutes, regulations, and policies, to include references (b) and (c).

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. Although Petitioner's application was not filed in a timely manner, the Board found it in the interest of justice to waive the statute of limitations and consider the case on its merits.

b. Petitioner enlisted in the U.S. Marine Corps began a period of active duty on 29 May 1984.

c. On 10 October 1986, Petitioner was notified of administrative separation processing due to his homosexuality. He waived his procedural rights to consult with counsel and to have his case heard before an administrative discharge board.

d. On 14 October 1986, Petitioner's commanding officer forwarded his administrative separation package to the separation authority adding, on 29 August 1986, Petitioner submitted a statement admitting to homosexual acts.

e. Ultimately, the Separation Authority directed his separation by reason of homosexuality and Petitioner was discharged with an Other Than Honorable (OTH) characterization of service on 6 November 1986.

f. Petitioner contends that: (1) As a decorated Marine (Pistol Sharpshooter Badge, Rifle Expert Badge, Meritorious Mast – 2 awards), he seeks this correction because his discharge was based on an unjust policy that failed to recognize his dedication and value to his unit, (2) his identity never hindered his ability to serve with excellence, and (3) he was an outstanding, committed Marine, and has since continued his success as a Registered Nurse with a Bachelor's Degree from [REDACTED].

g. Reference (c) sets forth the Department of the Defense's current policies, standards, and procedures for correction of military records following the "don't ask, don't tell" (DADT) repeal of 10 U.S.C. 654. It provides service Discharge Review Boards with guidance to normally grant requests to change the characterization of service to "Honorable," narrative reason for discharge to "Secretarial Authority," and an SPD code to "JFF," when the original discharge was based solely on DADT or a similar policy in place prior to enactment of it and there are no aggravating factors in the record, such as misconduct.

CONCLUSION:

Upon review and consideration of all the evidence of record, the Board concludes that Petitioner's request warrants relief.

The Board noted Petitioner's record supports that he was solely discharged on the basis of his sexuality. Additionally, the Board found no aggravating factors in Petitioner's record and determined he was entitled to full relief under reference (c).

RECOMMENDATION:

In view of the above, the Board recommends that the following corrective action be taken on Petitioner's naval record in the interests of justice:

That Petitioner be issued a new Certificate of Release or Discharge from Active Duty (DD Form 214) reflecting that, for the period ending 6 November 1986, Petitioner's characterization of service was "Honorable," the narrative reason for separation was "Secretary of the Navy Plenary Authority," the SPD code assigned was "JFF1," the reenlistment code was "RE-1A," and the separation authority was "MARCORSEPMAN Par. 6214."

Petitioner be issued an Honorable Discharge Certificate.

That no further correction action be taken on Petitioner's naval record.

That a copy of this record of proceedings be filed in Petitioner's naval record.
